WHAT IS EMERGING LEADERS COUNCIL?

The **Emerging Leaders Council (ELC)** is comprised of young professionals committed to their community and supporting United Way's mission and philanthropic endeavors. Join United Way's ELC to make a positive impact in your community while building your professional network and further developing valuable career skills. Your annual donation of \$500+ directly to United Way gives you:

- Interaction with C-level leaders from San Diego's business community.
- Complimentary professional development workshops.
- Ways to grow your personal and professional networks.
- Volunteer opportunities that provide hands-on ways to connect with United Way's work in San Diego.

“The ELC brings together like-minded people who influence the people in their lives and make an everlasting impact on our community.”
