

HOW YOUR GIFT ADDS UP PER PAYCHECK

No matter the amount, when we combine your gift with support from other donors like you, your impact is amplified, allowing us to continue the work we do – and will continue doing – until more equity in opportunity is achieved across our County.

WHY WE NEED YOU

1/2 of San Diego's 4-year-olds are not attending pre-school, which means many start kindergarten at a disadvantage.

Almost **49%** of San Diego's 3rd graders didn't read at grade level in 2016. Children who don't reach reading proficiency by the end of 3rd grade are **4X** less likely to finish high school on time.

22% of children who have lived in poverty don't graduate from high school, rising to **32%** for students who spend over half their lives in poverty.

Over **20%** of students in some San Diego communities aren't graduating on time and never catch up. **60%** of jobs require some level of post-secondary education.

YOUR \$'S IMPACT

23,626+ real-world work experiences were provided to high school and community college students.

3,700 individuals and their families in need were supported with rent, mortgage, utilities, food, and more through Unions United.

70% of students involved in our attendance initiative showed attendance improvement over the school year.

31K households received **\$40 million** in federal and state refunds, through UWSD-led EITC Coalition's free VITA sites, including **8K** households who received over **\$14M** in EITC (Earned Income Tax Credits).

Help us change the odds for children & families. Please give today.
