

# San Diego County EITC Coalition

Led by United Way of San Diego County, the San Diego County Earned Income Tax Credit (EITC) Coalition is anchored by a partnership with the County of San Diego Health and Human Services Agency and the IRS Stakeholder Partnerships, Education, and Communications office.

## In 2018, the Coalition:

supported **20** local partner organizations to implement **54** tax sites operating throughout San Diego County with **650** volunteers providing free tax preparation services to the community.

## As a result:

**33,770** local households were served

over **\$47 million** in federal and state refunds were brought back to San Diego

**8,720** households received over **\$15 million** in federal EITC

clients saved **\$9.2 million** in tax preparation fees
