

**United Way of San Diego County**

4699 Murphy Canyon Road  
San Diego, CA 92123  
Tel 858.492.2000

Dear Agency :

Heightened National Security concerns in the United States requires that the United Way of San Diego County institute a comprehensive compliance program designed for the detection and prevention of the flow of funds to terrorists and/or terrorists organizations. This compliance is in agreement with the USA Patriot Act (Uniting and Strengthening America by Providing Appropriate Tools required to Intercept and Obstruct Terrorism). We ask that you cooperate with this compliance program by documenting the measures taken by your agency to ensure that your organization does not provide financial or other “material support or resources” to terrorists organizations.

Each campaign year your organization’s response is required in order to receive funds. We ask that an authorized manager complete and return the attached form. You can either return via fax to (858) 492-2059, via email to [donorservices@uwsd.org](mailto:donorservices@uwsd.org) or by mailing to us United Way of San Diego County, ATTN: Finance 4699 Murphy Canyon Road, San Diego, CA 92123.

As we are sensitive to the growing demands on your organization and your limited resources, we have streamlined the process and paperwork to minimize your effort. Please note that the information captured in this process will be used to determine eligibility to distribute funds to your organization from UWSD.

If you have any questions concerning this process or the form, please contact me at (858) 636-4103 or through email at [debbie.williams@uwsd.org](mailto:debbie.williams@uwsd.org). Thank you in advance for your prompt attention to this matter.

Sincerely,

*D. Williams*

Debbie Williams
